

Getting to know you: If you could instantly know another language which one would want to know?

Quick Review: Looking back at your notes from this week's teaching, was there anything that caught your attention or challenged you?

Dinner for Three

MY STORY:

1. Have you been baptized and what was the experience like?
2. What is the purpose of Baptism? And who should be baptized?
3. Has someone ever mistaken you to be someone else?

DIGGING DEEPER

1. Read Luke 24:28-35 What sticks out to you?
2. Jesus has the ability to make sense out of things. He doesn't offer pop-religious kind of answers. For instance: God never gives us anything we can't handle. This is not a biblical statement. (We run into a lot of things that are too difficult for us.) Do you rely on the Holy Spirit's power or your own?

3. Have you begun to understand your story in the context of God's story?
4. Are you inviting Jesus into every area of your life? What areas have you blocked off from Him?
5. Pastor Tom stated, "Experiencing Jesus is best when it's shared." It is natural to want to tell others about Jesus and our experience with Him. When is the last time you shared your faith with others? With a believer? With a non-believer?

TAKING IT HOME

1. Do you need Jesus to help you make sense of your story? Do you need to invite him into your situation?
2. Have everyone fill out the Life Group Feedback form on the app or website. On the app it can be found if you click more->Next steps->Life Groups->Life group Feedback.

On the website you can find it by clicking Get connected->Life Groups (Scroll down to the bottom) then click life Group Feedback.
