TAKING IT HOME

1. Our hope is that you know more about Holy Spirit and have a deeper relationship with him. Don't neglect that relationship now that the series is over. Spend time fostering your relationship with Holy Spirit.
2. December 1st we will be doing a Q&A on this series. If you have any questions on the Holy Spirit, we want you to ask them! You can find a link on the church app to submit your questions.
