## HOLY SPIRIT

---

**Getting to know you:** Do you like Candy Corn?!

**Quick Review:** Looking back at your notes from this week's teaching, was there anything that caught your attention or challenged you?

**MY STORY:**

1. What are some take aways you had from the Holy Spirit Conference?
2. Do you feel like you hear from the Holy Spirit?

**DIGGING DEEPER**

1. Read Romans 8:16. What sticks out to you?
  - a When do you receive the Holy Spirit?
2. Who gives us the power to do good works? Do you try and operate from the power of the Holy Spirit or your own?
3. Is there something hindering you from operating in His power or hearing His voice?

4. Two weeks ago Ty said “the level of nudge you feel from the Spirit is based on the relationship you have with Him.” Would you say you have a good relationship with God?
5. What does your prayer life look like? How are you fostering your relationship with Holy Spirit? Are you praying for more of Him in your life?

### **TAKING IT HOME**

1. Would you prayer these two prayers this week during your prayer times.
  - a What does Holy Spirit want to say about me?
  - b What does Holy Spirit want to say to me?
